

**Declaration of compliance  
for materials made from plastic intended to come into contact with food**

**Identity of the product:**

Product:	Cutting board
Dalolindén:s article number:	91367338-38
EK service group article number:	188582
Barcode	4303391298404
Material:	PE
Usage:	Preparation and cutting of food

**Identity of the producer**

Company name:	DaloLindén AB
Address:	Marieströmsvägen 9 335 22 Gnosjö
Contact person:	Andreas Stenholm
e-mail address:	andreas.s@dalolinden.se

**Positive list, monomers:**

The polymer consists only of permitted monomers and starting substances listed in regulation 10/2011/EU and amendment.	
Signature:	DaloLínden Andreas Stenholm

**Additives:**

All additives used in this product are permitted according to regulation 10/2011/EU and amendment.	
Yes:	<input checked="" type="checkbox"/>
No:	<input type="checkbox"/>
If no – which other additives are added to the product?	

Chemical name	Cas. no.	Amount in the product (%)

**Dual use additives:**

Are dual use additives used in this product?	
Yes:	<input type="checkbox"/>
No:	<input checked="" type="checkbox"/>
If yes – which dual use additives? Are they subject to restrictions?	

**SML (Specific Migration Limits):**

All substances used in this product are checked in regulation 10/2011/EU and the following substances are subjects to restrictions.

**Functional barriers:**

Are functional barriers present in the product? If yes, compliance with regulation 10/2011/EU must be stated.	
Yes:	<input type="checkbox"/>
No:	<input checked="" type="checkbox"/>

**Global migration test:**

According to the future use of this product the material must be tested for global migration according to EU-directive 82/711/EC, as stipulated in regulation 10/2011/EC and amendment. Our cutting boards are tested and approved according to the regulations.
---

**Specific migration test:**

If SML values are given above the material must be tested or calculated for specific migration according to EU-directive 82/711/EC, as stipulated in regulation 10/2011/EU and amendment.
---

**Specification of the intended use or limitations:**

- Type(s) of food intended to come into contact with the material:  
The product is made for all type of food.
- Type (s) of food NOT intended to come into contact with the material:  
None.
- The product can be used repeatedly.

**Good Manufacturing Practice**

The regulation 2023/2006/EC requires that good manufacturing practice is used. DaloLindén has an internal quality system to ensure the quality of its products.
--

## Traceability

Traceability of the product is ensured according to Regulation 1935/2004/EC via the date which is written on the transport packing or from the time “wheel” on product.

## Compliance:

The product does not apply any danger to health or environment according to article 3 in Framework Regulation 1935/2004/EC. The product complies with current EU-legislation 10/2011/EU and amendment.
